Attention Patriot Parents of Rising 9th Graders!

WE DO NOT HAVE TO BE OBEDIENT SLAVES TO THE ANNE ARUNDEL COUNTY SCHOOL BOARD

WE DO NOT HAVE TO SIGN UP OUR CHILDREN for the "Global Community Citizenship" "diversity & inclusion" course in the fall! Just choose a different elective. The school board cannot dictate WHEN our students take this course. We need more information about what this course is actually teaching. We will not blindly and sheepishly allow our kids to be brainwashed and indoctrinated to radical leftist extremism and political correctness without knowing exactly what is in the curriculum. WE HAVE THE RIGHT TO WAIT FOR THE ONLINE VERSION SO THAT WE CAN HAVE ACCESS TO THE COURSE MATERIALS ALONGSIDE OUR STUDENTS IN ORDER TO PROPERLY ASSESS IT FOR OURSELVES.

We do not agree with the radical leftist course mandate passed by the "gang of eight" school board members that will politicize and dumb down the curriculum, brainwash and indoctrinate our kids to their agenda of globalism, anti-Americanism, and political correctness. We will not allow our parental rights, our free speech rights and the free speech rights of our children to be trampled upon in AACPS schools.

The school board's version of "diversity & inclusion" is to EXCLUDE and NOT TOLERATE conservative and patriotic thought and expression and to not tolerate any expression that differs from their own biased, politically correct and radical leftist ideology.

STAND WITH US by emailing [REDACTED] to join the email list and join forces with other like-minded parents to overturn this unjust mandate and explore all of our legal options to hold the school board accountable to parents.

PatriotParentsSRHS seeks to:

- Reverse the recent school board "Global Community Citizenship" course mandate
- Stand up for our parental rights & First Amendment rights
- Respect the U.S. Constitution & Bill of Rights in A.A. County public schools
- Preserve free speech rights in A.A. County public schools
- Hold the school board accountable to parents for its radical leftist, anti-American, politically correct, dumbing-down, brainwashing & indoctrination agenda.

WE ARE SOLIDLY AGAINST RACISM OF ANY KIND AND REFUSE TO ACCEPT A FALSE LABEL AS A RUSE TO LIMIT OUR FIRST AMENDMENT RIGHTS TO FREE SPEECH AND TO BRAINWASH AND INDOCTRINATE OUR CHILDREN TO RADICAL LEFTIST IDEOLOGY AND POLITICAL CORRECTNESS IN ANNE ARUNDEL COUNTY PUBLIC SCHOOLS!
